

WEDDINGS AT PERTH ZOO

WHAT YOU NEED TO KNOW ABOUT WEDDINGS/CEREMONIES AT PERTH ZOO

Before booking your wedding or commitment ceremony with Fresh Events, please read the following useful information.

Inclement Weather

Outdoor weddings carry an element of risk due to factors beyond our control, such as weather. We would urge you to have a contingency plan in place. At Perth Zoo, we may be able to find an appropriate alternate venue in the event of rain, however please understand options are limited and subject to availability.

Access to the Zoo on the day of the event

If you have booked your ceremony and reception with us, your guests are very welcome to wander the Zoo grounds between the ceremony and reception until 5pm when they will either need to gather at the reception venue or exit the Zoo.

Bringing in special props and decorations

Additional decor may be brought into the Zoo as long as we have 30 days lead time to notify the Zoo. This is so your items can be assessed against all Perth Zoo (standard) regulations and are compliant with health and safety measures. Balloons, rice and confetti **cannot** be used inside Perth Zoo. If your items require special delivery from an external supplier, please notify us so we can coordinate delivery times.

Touring the Zoo Spaces

A private viewing of the Zoo's available spaces are available on request. Once confirmed, you are welcome to access the Zoo with your bridal party for one wedding rehearsal, by appointment.

Parking

Ticketed parking is available in the car park on the corner of Labouchere/Richardson Roads (opposite Rothschild's function centre) and in car parks on Labouchere and Mill Point Road(s) respectively. ACROD parking is available at both the private Zoo car park adjacent to the traffic lights in front of the Zoo and in the Windsor Park car park on Labouchere Road which are both a short, flat distance from the Zoo entry. Bays suited to waiting stretch vehicles can be found at the carpark off Mill Point Road.

Accessibility

If you have guests with mobility issues attending, please keep in mind that although accessible by wheelchair, some areas of the Zoo have natural, uneven surfaces or inclines.

For further information or to discuss your ideas with us, please call or email freshevents@freshconvenience.com.au
